STIPULATION

Pursuant to the agreement of the parties, it is hereby stipulated and agreed that all Procter & Gamble defendants shall be classified as Group III defendants, as that category has been defined by this Court. As grounds for this stipulation, the parties state as follows:

1. That the several Procter & Gamble entities named as defendants in this MDL may be categorized in different Defendant groups (Group II and Group III) based on case docketing dates with this Court.
2. That these Procter and Gamble entities have the same national counsel and have given their written discovery responses and produced their documents concomitantly.
3. That these Procter & Gamble entities should all be deemed to be Group III Defendants in the interests of economy, efficiency, uniformity and administrative ease.
